Château de Fontaine-Audon Sancerre 2015

Loire Valley, France

ESTATE

Langlois-Chateau has a rich history as one of the leading producers in the Loire Valley. Over 60% of their production is devoted to their world class Crémants but their Sancerres are also highly regarded as benchmarks for the appellation.

WINE

100% Sauvignon Blanc from the estate's most treasured single-vineyard in Sancerre in St Gemme to the northwest of the Appellation. The vines are grown entirely on a silex (flint) terroir, which gives the wine a mineral flavor.

VINEYARD

Langlois-Chateau owns and manages 175 acres of the best AOC vineyards in the Loire Valley. The crown jewel of Langlois-Chateau's Sancerre holdings is the 37-acre vineyard at Château de Fontaine-Audon.

Soils: The vines are grown entirely on a silex (flint) terroir, which gives the wine a mineral flavor.

Farming: The winery maintains a sustainable approach to vineyard management and holds the "Terra Vitis" certification.

Grape Varieties: 100% Sauvignon Blanc

WINEMAKING

Fermentation: The grapes are hand and machine harvested before being pressed gently with pneumatic presses. Fermentation takes place in thermoregulated stainless steel tanks.

Aging: The wine is aged on its lees for 6 months until bottling in April.

TASTING NOTE

Very expressive nose of ripe fruits with exotic fruits like mango. On the palate, very good balance and minerality. Nice acidity and bright freshness.
